Notice of Amendment to Dividend Payout Forecast

M3, Inc. announces that its Board of Directors today resolved to amend the forecast of dividends as detailed below, for the fiscal year ending March 31, 2019.

1. Reason for Amendment of Forecast

At M3, Inc., our basic policy is to retain and reinvest profits to further strengthen our operating foundations and drive business development, while comprehensively considering capital needs and condition of cash-flows when determining dividend payouts to our shareholders. For the current fiscal year, we have determined that we are in a position to redistribute profits in the form of ordinary dividend payout of 7 yen. A stock split in the ratio of two-for-one was implemented effective October 1, 2018. Taking the split into consideration, actual dividends for the previous fiscal year was 5.5 yen, equating to an increase in dividends for this fiscal year.

Going forward, our basic policy to reinvestment for further growth remains unchanged.
